EVEREST 依山

沙发的外观采用了极简主义的设计风格，线条流畅而简洁，简易的铁架设计，可轻松打开与合拢，高脚的设计不仅使沙发更加稳固，同时也方便了清洁，是一款实用的家居装饰选择，满足您的休息和娱乐需求。

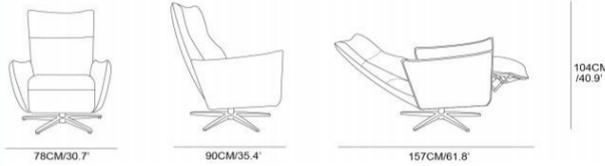

The EVEREST Push Back Sofa exudes a refined elegance with its effortlessly sleek and minimalistic design, adorned with perfectly smooth contours. Its ingenious iron construction enables seamless opening and closing, while the elevated leg structure not only enhances stability but also streamlines maintenance. A true gem for any household, this practical yet chic piece fulfills your cravings for both unwinding and hosting in impeccable fashion.

Lia的设计时尚优雅，线条精致细密，造型别致稳重，高高的靠背也让Lia显得清秀挺拔。然而Lia最迷人的地方体现在它的功能上，双电机的完美结合，真正实现了任意角度的切换，可以符合用户在任何情况下的角度需求。当我们因为久坐看电视导致腿部腰部以及肩颈血液不畅的时候，可以躺在休闲椅上触碰按键让双腿腰椎以及肩颈得到很好的放松。

LIA's design oozes sophistication and grace, showcasing delicate contours and a sleek, sturdy structure. The elevated backrest adds a touch of refinement and composure to LIA's aesthetic. However, LIA's adjustment to any position, effortlessly catering to the user's needs in any setting. Whether it's the strain from prolonged TV watching or the tension in our shoulders and neck from extended periods of sitting, LIA provides a solution. Simply recline on the lounge chair and press the buttons to allow your legs, waist, shoulders, and neck to relax and rejuvenate.

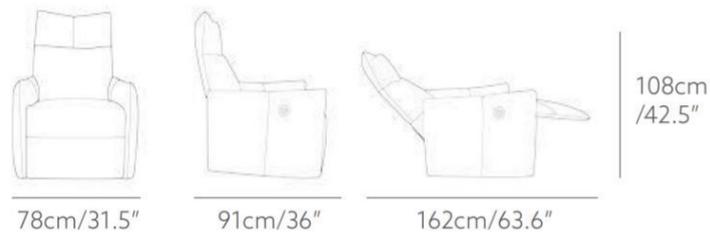

LIA 丽雅

RALLY 瑞丽

以疗愈为主题，瑞丽是一款可以缓解身心的疗愈型功能沙发。除了可以提供舒适的躺下角度，更可以带来无微不至的细心呵护。纳米银科技材料构成的热敷模块，可以缓解肩颈疲劳，靠背部分有两组按摩模块，帮助脊椎减少压力，提供全身心的放松体验感。

With the theme of healing, Rally is a healing functional sofa that can relieve the body and mind. In addition to providing a comfortable lying down angle, it can also bring uncompromising and careful care. The warm compress module composed of nano-silver technology material can relieve shoulder and neck fatigue, and the backrest part has two sets of massage modules to help reduce pressure on the spine and provide a sense of relaxation for the whole body and mind.

HARPER 海派

海派体积轻巧，采用简易铁架设计，方便拆卸和组装。扶手和靠背可单人KD，增加使用舒适度。沙发套可拆卸，方便清洗。整体设计简约大方，适合各种家居风格。

The ingeniously crafted HARPER boasts a sleek and lightweight iron frame, making it a breeze to disassemble and assemble. Its knock down features on armrests and backrest provide easier transportation and storage, while the removable sofa cover allows for effortless cleaning. Embodying a timeless and chic aesthetic, HARPER effortlessly blends into any home decor, elevating its style to new heights.

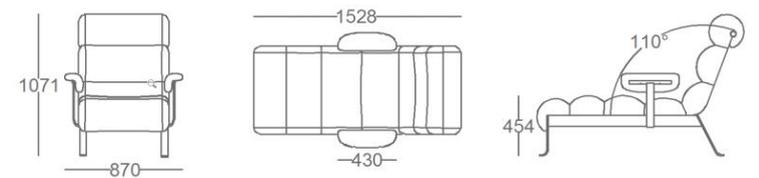

RUFFY

毛毛虫

毛毛虫躺椅的灵感来源于造型柔软圆润的毛毛虫，软包模拟毛毛虫，金属框架像毛毛虫的腿部。它是一把智能电动躺椅，可根据人的不同坐姿、躺姿势进行多种角度的调节，当它改变角度时，像一只可爱的毛毛虫在伸展身姿，躺椅的软包由不同大小的半圆造型体块组成，半圆造型在人体的头部、背部和腿部能够形成支撑作用，契合人体工学，使人们快速得到放松，提供温暖、休闲的舒适体验。

The RUFFY Recliner draws inspiration from the soft, rounded form of a caterpillar, with its soft upholstery mimicking the creature's texture and a metal frame resembling its legs. This intelligent electric recliner adjusts to various sitting and lying postures, akin to the flexibility of a caterpillar's movements. As it changes angles, it resembles a cute caterpillar stretching out. The recliner's soft upholstery, comprised of differently sized semicircular blocks, provides support to the head, back, and legs, conforming to ergonomic principles and facilitating quick relaxation. Experience warmth, leisure, and comfort with the Caterpillar Recliner.

此外，作为Genova University的家具设计教授，Claudio的理念和作品被广泛发表，并受邀至世界各地的知名设计学院演讲，为当今的设计界做出了巨大贡献。

Claudio Francesco Bellini, Italy's top home designer. Born in Milan in 1963, the family of arts in the Bellini family, his father Mario Bellini was an iconic figure in the Italian design world of the last century.

In 1996, he founded the Claudio Bellini studio, focusing on the design of the home field, and created a series of classic styles, which are highly collectible and won many international design awards. Today, Claudio Bellini Studio is recognized as one of the most influential European studios.

In addition, as a furniture design professor at Genova University, Claudio's ideas and works have been widely published, and he has been invited to speak at well-known design schools around the world, making great contributions to today's design community.

Artis一直致力于为人们带来美感与功能并重的产品。在此基础上，2020年Artis也在设计多元化上尝试探索。展会期间，Artis与德国设计工作室Ferdinand Design的主理人Franz Woller达成合作意向，会在未来向市场提供更多具有不同设计元素的产品。

"功能需要遵循形式"是Franz Woller的设计原则。他曾任欧洲家具品牌Himolla的首席设计师，并且奠定了Himolla的整体的格调。

Artis has consistently dedicated itself to delivering products that balance both aesthetics and functionality. Building upon this foundation, in 2020, Artis also embarked on exploring diversification in design. During an exhibition, Artis forged a collaboration with Franz Woller, the founder of the German design studio Ferdinand Design. This partnership aims to bring to the market a broader range of products with distinct design elements in the future.

Franz Woller's design principle is encapsulated in the phrase 'Form Follows Function.' Having previously served as the Chief Designer for the European furniture brand Himolla, he played a pivotal role in shaping the overall style of Himolla.

DakHaan Design创始人周安彬，2012年毕业于广州美术学院家具专业，在求学从业的10余年间始终坚持在家居生活领域中实践与探索。

这位连续斩获国际最高设计奖项的设计师，从沉浸于工厂车间对材料工艺的钻研到身居家具卖场一线作为店员了解消费者，再到后来进入房地产企业对生活空间的研究与开发，种种跨行业的实践与经历并没有束缚其设计的发展，反而使其能够设身处地地站在不同的维度，对于探索与平衡产品、空间与人的生活关系的思考更内化与深刻，也为其品牌设计之路奠定了基础。

DakHaan Design founder Zhou Anbin graduated from the Furniture Design program at Guangzhou Academy of Fine Arts in 2012. Over the past decade of academic and professional endeavors, Zhou has consistently adhered to the practice and exploration within the realm of home living.

This designer, who has continuously won top international design awards, started by immersing himself in material craftsmanship in factory workshops, then worked as a salesperson in furniture stores to understand consumers at the frontline. Later, he delved into the research and development of living spaces within real estate enterprises. These diverse experiences across different industries have not constrained the development of his design; on the contrary, they have allowed him to stand in various dimensions. This, in turn, has facilitated a more nuanced and profound contemplation of the relationship between products, spaces, and the lives of people. These reflections have become internalized, laying the foundation for his journey in brand design.

Sergio Pérez和Anna Roy是西班牙设计师，共同创立的perezroy设计工作室在家具行业拥有超过30年经验。他们的优势在于专注于为客户目标市场提供定制设计，强调卓越服务。不受国际奖项束缚，他们理解商业成功不仅仅取决于荣誉，而更需要满足大众市场不断变化的需求。通过独立为家具公司提供设计服务，他们跨足家居、办公和家具领域，积极参与欧盟家具设计项目。

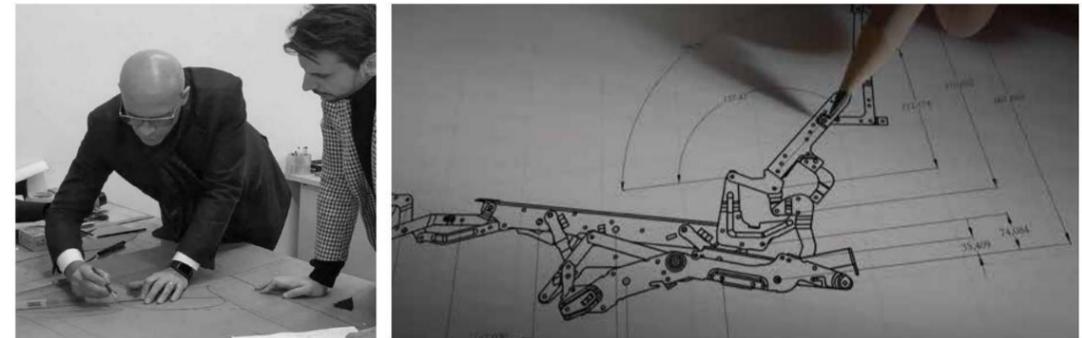

With over three decades of experience in the furniture world, Spanish design power duo Sergio Pérez and Anna Roy joined forces to establish the prestigious Perezroy Design Studio. Their innovative designs have graced the homes and offices of clients worldwide, showcasing their unparalleled expertise in tailored designs that cater to specific target markets. While they may have been honored with international awards, Sergio and Anna understand that true success lies in staying ahead of the ever-changing mass market demands. With a keen eye for detail and a passion for excellence, they offer their bespoke design services to furniture companies, spanning across the realms of home, office, and beyond. And as active participants in the esteemed European Union Furniture Design Program they continue to push the boundaries of creativity and elevate the industry to new heights.
